

emergency call-in day
TUESDAY JANUARY 14
AT 8 AM

On Monday, January 13th, Indiana prisoners being detained in Westville Correctional Facility began to refuse the nutritionally deficient, unappetizing cold sack lunches they have been forced to endure over the past several months following cut-backs by Aramark, the private company that won the contract for food at Westville, and have issued a call for solidarity.

A mass call-in, starting at 8am on Tuesday, is being planned to put pressure on IDOC officials and Aramark Correctional Services to reinstitute hot lunch trays.

Let's show solidarity and inundate IDOC Commissioner

Bruce Lemmon **(317) 232-5711**
and Aramark Correctional Services **(800) 777-7090**

with phone calls demanding the return of hot lunch trays for Indiana prisoners.

Fight against prisons and a society that profits from confining human beings
